Please read: tree nuts. Our kitchen handles tree nuts (almonds and pistachios). Although only the products marked above contain nuts in the recipe, we cannot guarantee any product is free from traces of nuts. If you have a severe nut allergy, please contact us before ordering.

Also note: canelés contain dark rum (alcohol). Lemon tartlets contain beef gelatine and are not suitable for vegetarians. Coconut is not classed as a tree nut under UK allergen rules.

● = contains this allergen.
